Department Details

Introduction:

The Grant Government Medical College, Mumbai is a medical college affiliated to the Maharashtra University of Health Sciences, Nashik. Founded in 1845, it counts among the premier medical institutions in India and one of the oldest institutions teaching Western medicine in Asia. It has been consistently ranked on the list of top ten medical colleges in the country. The college accepts 200 students annually for the undergraduate degree and around 100 annually for the various postgraduate degrees in medicine. The medical college is situated in Byculla on the campus of Sir J. J. Hospital. The Hospital caters to an annual load of 1,200,000 out patients and 80,000 indoor patients approximately from all parts of Maharashtra and Central India.

Its clinical affiliate is Sir JamsetjeeJeejebhoy Group of Hospitals: a conglomerate of four hospitals in South Bombay that include the Sir J. J. Hospital, St George Hospital, GokuldasTejpal Hospital, and Cama and AlbessHospital( women and children hospital)

Grant Medical College is among the 8 medical colleges of India situated in the heart of the Mumbai City.

The institution is headed by the Dean Dr. Tatyaraop Lahane
