College Details

Introduction:

To prepare students who will excel as proud zealous fearless and worthy doctors of the society & to serve medical realm of this nation. Maharashtra State Government declared to open a new medical college at Yavatmal. The college was named after Ex. Chief Minister Late Shri Vasantrao Naik who was very popular from this district during his lifetime. This medical college was established due to the fruitful efforts of Late Shri Jawaharlalji Darda, Freedom fighter and former Health Minister and Late Shri Sudhakarraoji Naik former Chief Minister of Maharashtra State.

The first Dean of this medical college was Dr. V. S. GOSAVI from 17/05/1989 to 31/07/1993. Others who later occupied this chair were DR. N. K. DESHMUKH, DR. H. R. NAGARLE, DR. B. G. WAGHMARE, DR. R. K. AYACHIT, DR. V. K. BHUTADA, DR. A. A. PATHAK, DR. N. N. AMBHORE, DR. S. K. BOBHATE, DR. A.P. DONGRE all the above dignitaries tried their level best to improve medical college and Hospital administration, DR. A. D. RATHOD, MBBS, M.D(PAEDIATRICS), D.M(CARDIOLOGY) present Dean of this medical college is a very noble and soft spoken person who is giving his brilliant ideas and valuable guidance to this medical college administration to provide excellent medical education and hospital facilities to Yavatmal region. He is occupying the chair from 03 March 2015.

Earlier this medical college was having 50 MCI approved admissions for MBBS course from June 1989. Since 1999 one hundred (100) students and from 2013-14 one fifty (150) students are admitted. All these seats are approved by Medical Council of India.

Well furnished and ventilated Mail Administrative/Academic Building, Lecture Halls, excellent and renowned teaching staff, Hostel facilities for students with gymnasium, well equipped separate Library building are the assets of the institution. The library is rendering reading facility for teachers and students separately and also having special reading room facility for Post Graduate students.

This college was initially affiliated to AMRAVATI University. Since 1998 the college is affiliated to Maharashtra University of Health Sciences, NASHIK. Dr. Jamkar, Vice-Chancellor (Phone No. 0253-2539114) and Dr. Garkal (Phone No. 0253-2539294) is Registrar of MUHS Nashik University.

In 2001, MCI approved to start PG courses in FORENSIC MEDICINE & TOXICOLOGY, OPHTHALMOLOGY & ENT. Post Graduate course in PEDIATRICS started since 2003. P.G. Course in Anatomy, Medicine, Surgery, Pathology, Microbiology, Obstetrics and Gynaecology started from 2010. Biochemistry & Pharmacology started from 2012. CPS Diploma courses (DGO, DA) along with DNB Orthopedics are the bright features of this medical college.

To provide excellent medical services to every patient this medical college offers specialty facilities like CT scan, Digital X-ray, Ultrasonography, Doppler vascular studies, Echo cardiograph etc. OPD services are available from 8.00 a.m. to 2-00 p.m. Doctors from various clinical subjects contribute their services and give valuable advice to these patients. Approximately 975 to 1050 patients avail the OPD facilities daily. Emergency medical services are available round the clock.
This Medical College has an attached Hospital with indoor facilities for 594 beds. This institution has a separate, ART centre for this region, Sickle cell unit, Family planning unit, Immunization centre. Intensive coronary care unit with 8 bedded central monitoring system facility is available in this institution. Other acutely ill cases are specially treated in MICU, NICU & surgical recovery room. (Post operative cases). Poor patients are served Tea, Breakfast, lunch & Dinner free of cost. Dr.Dhavane is Suptd of Hospital and Dr.Ingale is Dept.Suptd of Hospital

This institute has an incinerator for disposal for biological wastes, mechanical laundry for linen department, separate medical store & surgical stores to provide various requirements of wards and departments. For academic & extra curricular activities for our students we have an ultra modern and advanced auditorium in our college premises. The college provides residential facilities to the teaching & non teaching staff of this institution.

Mortuary for custody deaths related matter for Amravati division, cold storage unit for mortuary, operative light mortuary are available in FMT department of this medical college.

Preventive and Social Medicine department of this college has opened a rural health centre at Ralegaon in Kalamb Tahasil of this District. This department is also having urban health centre to take care of slum area patients at Yavatmal.

Shri Vasant Rao Naik Government Medical College is progressing by leaps and bounds and the day is not far when it will gain recognition as one of the best medical colleges in the our State.

Wide Publicity to the Anti-ragging toll free Helpline No. 1800-180-5522 may enable the students in distress to report the related incidents.
**Vision:**

S.V.N. Government Medical College, Yavatmal seeks to be a model for health systems in Maharashtra through excellence and innovations in quality medical education, health care services & research. Also seeks to produce Quality Medical graduates & postgraduates who are competent to undertake the responsibilities as a medical professional of first contact who are competent by knowledge, skills & attitude to cater to the preventive, curative and rehabilitative needs of the patients and people at large.

**Mission:**

We are committed to translating the vision into action by:

- Imparting affordable, Inclusive quality health care to all.
- Catering to the physical, emotional & spiritual needs of the patients.

   - Oromaxillofacial surgery, RND, MRND with reconstruction
   - Trauma care and management
   - SICU management

**Obstetrics & Gynecology –**

Department of obst & gynecology is equipped with required equipments. Provide service likes delivery, caesarian section, MTP, family planning ,hysterotomy, major surgery , laparoscopic tubetomy & surgery and emergency surgery.

**Introduction**

1) UG Teaching
   - As per nashik university syllabus semester wise teaching
   - Demonstrations
   - Clinics

Internal assessment of UG students

2) PG teaching
   - OT training
   - Seminars
   - Case presentation
   - Maternal death audit
   - Journal review

department library
   - museum with specimen,
   - charts ,
   - models.

**Orthopedics –**

- We Are Running The Well Developed Orthopedics And Physiotherapy Department Since 1989.

- Our Department Is Well Equipped With All Basic Facilities And Trained Staff.
Anesthesia –

Department of Anesthesia Shri V.N. Govt. Medical College, Yavatmal was established in September 1993.
1. Our Department is well equipped with all updated modern anesthesia equipments.
2. We provided various anesthesia techniques such as
   - GA, SA, Epidural, CSE
   - Regional blocks, local, field block
   - Monitored anesthesia case
   - Superaspeciality plastie
   - Pediatric Plastie
   - Oncosurgery
   - Neurology
   - Endoseptic
   - Oromaxiliofacial
   - Dark room anesthesia(C T Scan)
   - Trauma
   - Post op of care inclusive of ventilator support
   - CPCR, Pre anesthesia OPD Pain clinic
   - SICU

Radiology –

We at Department of Radiology, there is staff having Prof., Asso. Prof. and only 2 Senior Residents. There is deficiency of 2 Lect., 1 AP. Shall we are providing services including X-RAY, USG, CT, IVP and Barium Studies.

Dental –

Department of Dentistry is establish for Diagnosis & treatment of dental diseases. Creating awareness in the peoples mind regarding preventive measure which can avoid occurrence of serious dental infectious conditions, also to increase awareness among school going children about dental deceases in form of school dental health check up.

To provide Dental prosthesis ,restoration of teeth by doing Silver amalgam restoration,Glass ionomer filling.
